Mr. Alstrin always patient and helpful, always earned an A. Made me believe math was easy.
Mrs. Brady, I should have paid more attention! My Spanish has greatly improved now.

What was your favorite hang-out place in High School?
Several places but having breakfast with Karen and Pam at Denny's when we should have been in shorthand and/or typing class.

What were your top 3 favorite songs in High School? Add the artist, if known.
Thoroughly enjoyed everything Daryl Hall and John Oates created, especially Sara Smile and She's Gone.
Of course Rhinestone Cowboy by Glen Campbell and Captain and Tenille, Love will keep us together.

Building floats for the homecoming parade...in my parents' garage.
Senior trip to Indiana Lake, not one other class before us ever organized or even tried to arrange such an endeavor.

Give us a brief history of your life since graduating: (Limit to 300 words)
Going to Northern Illinois University was scary and huge.
Getting married was life altering.
Having children was intimidating and challenging.
Learning the hospitality industry was motivating and thrilling, so many different facets.
Traveling around the world and learning about food, people, architecture, languages and culture is better than getting any education.

Spending time with my children and their families makes me proud and accomplished.
Retired and volunteering with our food bank, women's shelters, men's shelters and a soup kitchen makes me appreciate the kindness of others and the life choices I made.
My parents have passed away and I have lost many other family members and close friends. That is the sad side of life, but I do know they are with God. I'm not afraid to die, I just haven't packed my suitcase yet.
