Our happy place is Devil's Lake State Park and the area around Baraboo, WI.
Moved to Iowa in 2008. Moved to Cedar Rapids, Iowa in 2014... where I now live.
My travel career ended after 9/11, so I did some hotel front Desk, Von Maur customer service, Managed a small 29 room motel, worked in a bakery plus some other work opportunities. I love living in Iowa! I broke my femur 16 months ago, so that is why I am using a cane as I improve slowly. My dad was 53 when I was born as he was 21 years older than my Mom. He died in 1984 and Mom died in 2016. I love writing hand-written, long letters, stickers, Driving day trips, exploring, volunteering and being a News-Junkie.
I try to enjoy each day and I try to donate and help others when I can. My exciting World travel is pretty much over but I do remember it fondly every single day. My last reunion was the 20th. Also graduated from the International Tour Management Institute in San Francisco. Text me first, I don't answer the phone. 319 450-2840. Peace.

See Above. Attended Beauty School last 2 years of High School. I answered a job ad in the Chicago Tribune to become a Tour Director and it completely changed my life. No time to have children, and I always believed in ZERO population growth. I have seen the world even tho' it was only 26 or 27 countries. I will continue to stay in Cedar Rapids, moved here in 2014.
So many good things in Iowa. I have been recycling since 1972.
Fully retired now.

Add anything else you would like to share with the class:

I am waiting for my partner to fully retire from his "retirement" gig. We both may get involved in a side hustle, ...any ideas? We both have great driving records, so we may deliver cars or something. The Doctors & Specialists here are unbelievable!
