Give us a brief history of your life since graduating: (Limit to 300 words)

Graduatedasemesterearly andworked at McD's and asa lifeguard at Brandywine pools til heading to U of I Champaign - Urbana. Changed my major about 8 times while working part-time, lots of partying, had biking accident and had drop out. Finished up at UofI Circle campus with a degree in Economics. Backpacked around Europe. Got a series of full-time "adult" jobs and my own apartment in Oak Park. Got married and lived in Wheaton. Got unmarried and moved to Villa Park. Traveled all over the place with my job in financial software. Changed career to Operating Room RN.

Tell us about your career path: (Limit to 100 words)

Whattodo witha degree in Economics? I worked for a Temp Agency and got exposed to lots of different businesses. Took a permanent position with a start up long distance telephone company in the Billing Resolution Department - my intro to the world of debugging computer programs. Got a job with a financial software company that required lots of travel then went independent. Missed out on family stuff due to traveling and decided to do something different. Found my 2nd calling in the medical field and became an Operating Room RN.
