What is your fondest memory of Willowbrook High School?(Limit to 100 words)

Not necessarily a fondest memory but certainly memorable, was when Mr Langelier was prepping us to dissect fetal pigs. He told us how to tell the males from the females, by showing one with earrings and a necklace, and another with a tie and cufflinks.

Give us a brief history of your life since graduating: (Limit to 300 words)

After high school, I went to UICC and got at degree in Business Management. I kept my part-time job until I went to seminary in 1983. After one year of seminary in St Meinrad IN, then four years in Mundelein IL, and a "pastoral year in Elmhurst, I was ordained on June 3, 1989.

I've led many pilgrimages to Europe and the Holy Land, been on three sabbaticals in Rome, and have offered Mass on five continents.

It's been great to be able to meld my love for travel with my ministry.

Tell us about your career path: (Limit to 100 words)

I have had parish assignments from across the Diocese of Joliet: as far north as Roselle and Itasca, and as far south as Kankakee and a small town called Ashkum.

I've been a Pastor since 2002, and am currently Pastor of four rural parishes in Iroquois County.

What is your proudest achievement: (Limit to 100 words)

There are many proud moments in my years as a priest, but presiding at the funerals for both my parents and at my brother's wedding, and baptizing my nieces and nephews stand out above the rest.

It was also a kick when I found out that a baby I'd baptized at my first assignment became a priest 25 years later.

Have you retired? What are you doing now:(Limit to 100 words)

Not yet, but the countdown has begun.
